Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Basic resources had been purchased to ensure activities could be taught effectively. • Resources also been purchased to adapt lessons to ensure inclusivity, (sensory balls, large rackets etc) • In support with Sandwell Council, all parents were provided with leaflets that outlined local community projects and venues for children to visit to take part in extra curricular activities. • Sports coaches have started to target Pupil Premium children in a small maths in PE intervention. • PE coordinator working closely with PE buddy. • Buddy attending CPD session. • PE kit, including tracksuits, provided for all children to encourage participation for inactive children and to ensure children are getting 2 hours of PE each week. • Presented the Obesity Strategy to Governors and how the funding can support our children. 	<ul style="list-style-type: none"> • Resources purchased will provide children with opportunities to participate in sports outside of the curriculum requirements. Resources to support the use of STEP • Resources to challenge the more able • Resources to support SEND • Resources to aid Gifted and talented children (including investing more heavily in leadership skills) • To embed and strengthen links with community and signposting for Gifted and talented children (look at whether these outside agencies could run parent funded clubs) To increase our parent funded clubs To look into the possibility of Summer Schools • To develop lunchtime supervisors to provide positive, active activities at lunchtime. Encourage all children to participate. Sandwell Leisure Trust provide packages- could we use? Can we adapt? • Initiatives to tackle obesity <ul style="list-style-type: none"> ○ Invite external healthcare professionals into school ○ Monitor physical activities within the EYFS ○ Use Public Health England documentation and reinstate Healthy Schools activities. • Identify opportunities in the literacy curriculum to teach using PE strategies. • Swimming opportunities for children who have not achieved the 25m in Y4 Do we send these children again in Y6? Do we send Y3 children pre Y4? • Act upon the data from the Obesity strategy and how we can address this within school. • Increase confidence, knowledge and skills of all staff in teaching PE • To provide stronger links with community opportunities • Introduce Physical Literacy more heavily in the EYFS • Increase visits from local sports communities (whether to deliver assemblies or sports days) • Sports leaders to have more of a role within the school community

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	63.3%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	53.3%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	10.5%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No- We have not used for national curriculum requirements and have plans to send our Y6 children on additional swimming sessions in July.

*Schools may wish to provide this information in April, just before the publication deadline.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.
